# AGENT PH

Imagine working with puffles every day. What a cool job!

Which penguin knows more about puffles than anyone else? PH, of course! Also known as the **Puffle Handler**!

Does that mean she can talk to them? We asked her. "Haha, it's not so easy! I use my instinct to 'hear' what puffles think and need." Wow! Sounds really clever.

Shhh! Let's whisper for a bit. Did you know PH is an **EPF agent**? She spent many hours in the wilderness training puffles - the most talented of them go on to work for a top secret organisation called the **Elite Puffles**, helping to protect the island. We could say more ... but it's classified.

## Autograph

PH 

G'day puffles! Your training begins now!

**Did you know?**  
PH was the first penguin to discover brown puffles

**Did you know?**  
PH likes to eat O-berries straight off the bush

**Did you know?**  
PH was a member of the EPF team that protected CP during Operation: Herbert's Revenge!

## SECRETS

PH used to be pink but after discovering brown puffles she changed her colour to brown forever!

# PH's Puffle Care Guide

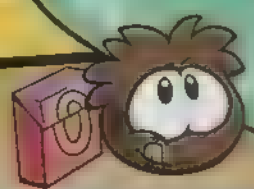

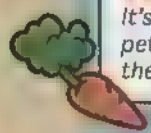

Love your pet even more with PH's awesome guide!

## Yum yum!

We all know puffles LOVE to eat, but have you noticed they have favourite foods? Try feeding an apple to red puffles and check their reaction: not so keen, huh? But give them pizza or cake and they'll be jumping for joy! Pink and brown puffles are just the opposite: they love healthier foods.

It's a great idea to feed your pets Puffle O's, because it's their natural food source.

Flippers up everyone who hearts puffles!

## Playtime!

For puffles, if it's not dinner time or bedtime, it's PLAYTIME! Puffles get bored if there's not enough to do, so try putting puffle furniture and toys in your igloo to inspire your pets.

Why not try to make a dedicated puffle play area in your iggy - just use your imagination!

**TIPS:**  
Different puffles like different toys - they'll jump up and down if you choose their favourite.

## Care

Sometimes, you might get too busy and forget to check on your puffles. Don't feel too guilty: they will tell you if they really need your attention!

When you're in your igloo, you may notice a little thought bubble appearing above their heads. If you're out and about, you'll see an alert pop up in the bottom right hand corner of your screen. Don't ignore this for too long, else your puffle might run away!

## Face up!

### Did you know?

PH has a special whistle which can summon Elite Puffles.

### SECRETS

Try tickling your puffles by tripping their tummies with your mouse pointer when you're caring for them. Watch their reaction!

The object of the game is simple - make as many fruit smoothies as you can in 2 minutes!

Player have to make smoothies to customers by bouncing on correct fruit.

If you manage to bounce on correct fruits to make smoothies, a special stamp will be given to you. Here are some of the HARDEST stamps to earn in normal mode!

Here are some of the HARDEST stamps to earn in normal mode! Get smashing!

## SURVIVAL MODE

The object of this game is to stop your health meter from running down to zero! Health is gained by bouncing on fruit, but lost by touching a bomb, anvil, or simply missing the fruit.

## EXPERT TIPS!

In Normal Mode, leaning a bit to the left side helps you see more of what's coming, making it easier to land on the correct fruit.

In Survival Mode, tall slow bounces are great for avoiding bouncing hazards. And when an Anvil is bouncing, if you time it well, you can go under it as well as over it.

He is holding a glowing sword. The background is a dark, stormy sky with swirling clouds and a large, bright light source. The title "Kid Icarus" is written in a large, stylized, golden font with a 3D effect. Below it, the word "UPRISING" is written in a smaller, white, blocky font with a black outline. The overall aesthetic is dramatic and action-oriented.

# STAR LETTER

Dear Aunt Arctic,  
You're awesome!  
What is your favourite  
place on Club Penguin to visit?

From Venns

Dear Venns,  
The News Room, to read  
or play Mancala! I once had a  
game against a bearded penguin  
called Rocknopper - I forget who  
won, but afterwards he ate the  
stinkiest pizza I've  
ever smelled!

## POEM OF THE MONTH!

I met a penguin in the Northern Lights,  
He was a tour guide and toured the sights!  
He showed me everywhere he knew,  
And last but not least his fancy igloo.  
We called for a pizza -  
thank goodness for that,  
I was so peckish I would've eaten my hat!
